Your article is still very long, covering 18 pages in a single space and 9 font sizes.
It covers 34 pages in 1.5 spacing in Times New Roman (12 Font Size).
Reduce it to 40% (only 7 or 8 pages as your format). You have covered 11 pages in the introduction. It should not be more than 3 to 4 pages. Similarly, materials and methods should cover only 2 pages
You have a table covering 9 pages. It covers most of your article.
References are not complete. It should be the name of all authors, followed by year, title, name of journal, volume, pages.
Please reduce if wish in our journal.
