Dear Dr Elhady,

Your galley proofs have arrived!

We are excited to share your manuscript in your Author Centre in galley format (PDF) to proofread and review. Kindly ensure to scrutinize the galley proofs well and include any necessary changes at this point, which include, among others:

- Answer all related queries from production staff and editors.
- Pay close attention to deadlines; late submissions can delay publishing.
- Always check author order, author names and affiliations.
- If you introduce text, make only critical changes that might affect conclusions (e.g., data revisions).
- Update any in-press citations if published at the proof stage.
- Correct typos.

- Correct typos.
- Do not make extensive text changes or move blocks of text.
- Please do not make your changes within the PDF, as we will not be able to track the changes made.

This proof contains notes and queries from production staff and editors that need to be addressed to avoid publication delays. To ensure timely publication of your manuscript, we ask that you do not skip a query and mark up the critical and necessary changes due to errors. Your work must reach your intended readership not just as soon as possible but at a quality level that makes your scientific impact in the scholarly community.

Steps to access the galley proofs:

1. Visit the platform by following the link <https://hts.org.za/index.php/hts/author/submissionEditing/7531>
2. Log in to the journal, if required.
3. Select the link labelled 'View Proof' under the heading 'Layout'. You will be able to download the PDF onto your computer or print it.
4. Add changes (typographical and format) by either adding markup and comments on the galley with a PDF viewer application using the HIGHLIGHT TOOL (How to Use the Comment and Markup Tools in Adobe Acrobat)

Dear Lara,

I have revised my manuscript, "Dialectical Views on Metaphysics in Islam: Thought of Ibn Rushd and Theologians" (Ref. No.: 7531).
I have tried to answer the Editors' queries.
To show you my response to the queries, I made changes with highlight as attached.
The same file without highlight I will upload to Proofreading section.
I need your assistance if something is missing.
Thank you for your kindness.

Regards,
Aminullah Elhady
